Air Malta, the flag carrier of the Maltese Islands, was founded in 1974. From just 53,500 passengers in its first year on two wet leased aircraft, the airline now provides a genuine Maltese experience to more than two million passengers every year and operates an eight aircraft fleet. Our commitment is to use our intimate knowledge and understanding of the beautiful Maltese Islands to better serve our valued passengers and trade partners now and into the future.

Fly from Amsterdam or Brussels

During summer Air Malta operates direct flights from Amsterdam and Brussels, whilst during winter Air Malta operates 4 times a week from Amsterdam and daily from Brussels. Air Malta offers direct and scheduled services to major European Hubs. The airline operates a very time-convenient schedule that makes it an ideal travel partner for short breaks, holidays, or business travel.

Economy Class

Air Malta's Economy Class offers customer comfortable seatpitch, leather seating, buy on-board tasty snacks and drinks and one 10Kg piece of hand luggage as standard. Customers can also pre-select a preferred seat against a fee.

Personal USB charging is available on selected aircraft-
Online check-in is available on selected destinations.

Business Class

Just as the on-board service in economy has been enhanced, so has our business class service. A unique and modular concept has been created which highlights the beauty of Malta, its traditions, history and culture. A gastronomic approach has been adopted using the finest quality produce coupled with a more personalised service giving the customer greater attention.
